Amirise Insurance Brokerage Firm finds you the best insurance rates. Period. And at competitive prices. That's what we do best. With unmatched customer service. And a three-year track record in Pennsylvania. Our clients have come to rely on us. To make insurance shopping easy.

Whether you're searching for general or professional liability, business, workers' compensation, commercial auto, commercial property, recreational vehicle, property, or business income protection insurance. Count on our brokers to save you money. And maybe even your livelihood. See for yourself...

What you're about to witness happens everyday. You know the people in the following stories. They're your employees. Your friends. Your family.

And you may recognize the places. They could be your business. Or your job site. Own a car, boat, motorcycle, or RV? You'll see them too. You may even have some of the props found in the stories. That's because they're tools of the trade. Your trade.

But you're not a bystander. You're in the stories too. The hero. You've come to save the day. How do you do that you ask? With the help of a sidekick of course. Some call it a middleman. Others refer to it as their go-to guy. Still others like to call it a helping hand. It's a role Amirise Insurance Brokerage Firm knows well. Bridging the gap between you and the insurance providers. So you can reach your destination. The place where all of your assets are safe. Protected. Insured.

You're now at the beginning of the journey. Call us for a free no obligation quote at (215) 773-9401. Drop by our office at 289 E. County Line Rd. in Hatboro, PA. Or start across the bridge to the *Specialties* page. Find your story. And how you can save the day. It's just a click away.

## **SPECIALTIES PAGE**

### **General Liability Insurance:**

Your customers love your product(s) and/or service(s). And you're proud to have developed a name they can trust. But suddenly, all of your hard work is put on the line. A customer is injured. And they point to your product(s) and/or service(s) as the cause. What would you do?

This can help you offset costs should you have to pay for damages. Call us today. Before it's too late. So you can save today.

### **Professional Liability Insurance:**

You're a professional. Maybe you work at home. In the field. Or on-site. Whatever the case may be, your customers love your work. It's not hard to see why. You provide a great service. Then it happens. You're sued for saying the wrong thing. Or for jeopardizing a project when you gave the wrong information. What would you do?

This can help you protect your reputation and save face. Call us today. Before it's too late. So you can save today.

### **Business Insurance:**

It's early in the morning. The sun is just starting to peak over the horizon. You pull up to your business and notice something doesn't look right. The front door is halfway open. You notice a crowbar lying in the grass a few feet away. As you peer into the building, you notice your business has been ransacked. Your valuables are scattered all over the floor in pieces. What would you do?

This can help you safeguard against not only physical, but also social and emotional damage. Call us today. Before it's too late. So you can save today.

### **Workers' Compensation Insurance:**

You're at the construction site overseeing your employees' progress. Everything seems to be coming along just fine. Until, out of the corner of your eye, you see your employee fall off the roof. He lands on his back and ends up in the hospital. Doctors say he's now disabled. And you receive a letter in the mail with a court date. Would you be prepared?

This is required by law. But it's also a safety net for your company. Call us today. Before it's too late. So you can save today.

### **Commercial Auto Insurance:**

You're driving your company vehicle down the freeway. A song comes on the radio that you like. So you look over for a second to turn up the volume. That's when you hear screeching tires. You look up and rear-end the car in front of you. What would you do?

This is required by law. Call us today. Before it's too late. So you can save today.

### **Commercial Property Insurance:**

It's 2 a.m. Your phone rings. You pick it up and the fire department is on the other end. They tell you smoke is barreling out of your storefront window. By the time you get there, everything has burned to ashes. What would you do?

This helps you repair or replace structures damaged by natural, and/or man-made disasters. Call us today. Before it's too late. So you can save the today.

### **Boat, Motorcycle and RV Insurance:**

You're taking some much-needed time off from work. You load up the RV. Or are you riding your motorcycle? Either way, you're headed to the lake. That's where your boat is. It's time for a little R & R. Don't let an accident sidetrack your trip. Even a minor dent can do the same to your pocketbook. Are you willing to take a chance?

This is required by law. Call us today. Before it's too late. So you can save today.

### **Property Insurance:**

It's 5 p.m. Your phone rings. You pick it up and the police department is on the other end. They tell you lightning has just struck your business. Upon arriving you find your computers fried. And smoke is filling the room. Your database is gone. What would you do?

This helps you repair or replace structures and/or property damaged by natural, and/or man-made disasters. Call us today. Before it's too late. So you can save today.

## **Business Income Protection Insurance:**

You have a family to feed. They all rely on you for your paycheck. One day you're hurt on the job. The injury is permanent. And you're unable to return to work. How would you provide for your loved ones?

This protects you should a life threatening illness or injury end your career. Call us today. Before it's too late. So you can save today.
